TALEWISE

Science Heroes: "Saving Earth Together"

The program tells a story with an environmental message including litter abatement content, while teaching science concepts.

The heroes are Professor Noble and his assistant Penny. They battle the evil villain Dr. Sludge, Super Polluting Criminal Master Mind who tries to spread garbage (litter) all over the Earth.

The photo shows one of the science experiments (Newton's first law motion). Mr. Jack, pulls a tray out from underneath 4 wooden eggs. The eggs fall straight down into 4 glasses.

The children and adults loved the show.

Karen Magnanao

NJ Clean Communities Council, Operations Manager
222 West State Street
Trenton, NJ 08608
Phone: Office: 609-989-5900 / Fax: 609-989-9066
